About the Company:

The Go-To Leader for Energy Software Solutions
The business of energy never stands still. Changes in technology, market demand, and regulations require today's utilities to constantly adapt. Since 1995, more than 1,200 energy industry customers have turned to OATI to provide solutions to their operational challenges. In fact, more than 98% of North American energy industry organizations use our solutions, making OATI one of the most trusted names in the energy arena. Over 800 dedicated staff members — with more combined energy industry experience than any other software solutions provider and one of the industry's highest concentrations of PhDs — work with single-minded focus to meet our customers' changing commercial and technical needs. And nearly all customers trust OATI to host and maintain their OATI solutions on the most field-proven Software-as-a-Service (SaaS) platform in the energy industry.
